1.3.22

a Lesson in the University of The New Covenant

Theodore Cottingham, January 28, 2005 3:20 a.m.

1. The word of the Lord in the mouth of the holy is wisdom.
2. The word of the Lord is wisdom in the mouth of the holy.
3. The word of the Lord is coming forth, yea is mighty and powerful and sharper than a two-edged sword.
4. The word of the Lord is light and altogether lovely and pierces asunder.
5. The word of the Lord comes as a scalpel and cuts and removes and refines with My Spirit, if you let Me.
6. Yea I am altogether lovely. **I am light, fire, wind and rain.** No one understands Me for My ways are higher. I encompass the earth; I am in the earth, I am upon the earth, I encircle the earth; universes within Me in universes reside, yea more are within Me.
7. But I am meek and lowly. I turned My face toward Him and He forsook Me, not. My leaf is not withered but a voice of many waters.
8. Thank you for coming, thank you for getting up.
9. Thank you for My candle, My light.
10. Thank you for being obedient, wanting to so obey in My slightest word.
11. **Communion elements of Me that you know you are**, and now the Lord in wisdom is altogether holy. My mouth/your mouth, My heart coming through you as never before. My heart coming through you as never before. I love you. I give you Me.
12. Thank you for your tears as you read My words. I give you so many more. My tears wash your feet to give you more, so much more, for so much more must come forth, yea and mighty in the mouth of the Lord, My mouth through My body for My word to fill the earth. I love you.
13. I, I, yea the Lord God, am holy and there is none other beside Me.
14. I am righteous and I am holy.
15. Behold Me in My body.
16. I am beautiful in My body.
17. My body is lovely.
18. The work of My hands is My body.
19. **My who came forth and came through Me, every person special, born of God, born of Me, yea, My fire inside.**
20. Light My fire. Light Me and let the flame of My passion burn as it does in you and more, for the souls of men and their hearts to be exchanged with Mine, yea in the fullness of time, not; today, beholding Me, beholding the word of the Lord, **beholding Me in the mouth of those who will speak Me, speak Me not in fear, but allowing**

Me to come and mature them, mature them, mature them, the speaker.

21. I told you I would come as you speak and to speak more. I told you that long ago and you pondered and pondered those words. I love you.

22. Purity, thank you. Purity becoming, purity distributing.

23. Purity in the mouth, in the heart of believers in Me in whom I will cast out, not, but yea reside and operate with no shadow of variableness of turning, yea them having no shadow or variableness of turning. I love you.

24. My bread, My grape juice, My anointing oil, My candle; yea My kneeler who on bended knee seeks Me; developing, absorbing, yea maturing in the kneeology of My light, My bread and wine; **My priesthood of all believers maker,** yea made already; Me revealing now increasingly in the word of your mouth, the word of My mouth, the mouth of the holy, the mouth of the pure; My wisdom, so easily entreated, forfeited by so many for so little, meaninglessness, nothingness exchanged for My life royal, so many forfeiting everything.

25. Yea and I come and I bring all you need. I bring all you want. **I bring the Mighty Many, those who I have given you to put their hand in Mine and release them to mature others, to priest be who they are;** My oil, My bread and wine, My light, My lips, My word in their mouth; sharper than any two edged sword, piercing asunder truth from untruth, light displacing darkness. Thank you, priest maker.

26. You love the word of My mouth, you love the word of My mouth, you love the word, you love My word. Thank you.

27. You love speaking My word, writing My word, reading My word, sharing My word, being My word; you know so deeply, **My word made flesh, yea in you**. You are My word. **You are My light, My passion burning brightly and brighter than the noon day sun coming,** My blood covering. Yea and Amen. Yea and yea Amen. Watch Me.

28. **I live by the word of My mouth, not the sweat of My brow.** The work is done, behold Me, **behold the blood of the Lamb of which you are. Light and life**, fallowed-not, furrowed, some; but yea coming together in unity of holiness. Watch Me. Watch Me teach the power in a single candle. Watch Me teach the power and the authority in the bread. Watch Me teach the healing, the power, the authority of My blood, oil flowing between My body as I designed. Watch Me. Watch Me. Oil, much oil, *oil maker,* candle lighter, *priest maker, graduater of those ready.*

29. Watch Me. Watch Me bring My endowment. There is no lack in My body.

30. All is ready, saith the Lord, saith the Lamb, says *Me* now today and I at the crack of dawn come in newness, newness, newly in wholeness, *never before understood or imagined. Never before beheld as Me,* ***truly Me in each other.*** *Never before released completely in the mouth of My who love Me,* **yea coming forth in thousands of pages, so common. Thank you.** My thanks. **My proclamation of**

My thanks to you this day for the Mighty Many coming forth in you, My purity, My light maker, light revealer, bread and wine-er, yea priest maker, priest revealer. Thank you. I love you. Good night.
